## What's happened this week?

### Healthy Start

We've started 2020 with dance, games, netball & football activities in school. We've also opened up our free Fun & Fitness club (Tues 3.15-4.15) to all Year 5 & 6 children without the need for parents to attend. Everyone had a great work out this week!

### Pantomime

Last week the whole school enjoyed a visit to the Theatre Royal to see the very funny Beauty & the Beast. We all had a great afternoon & one of our Reception children was invited on stage to sing a song with the star of the show Danny Adams!

We were very excited. 'Oh yes we were!'

### Planetarium

The Centre for Life brought their amazing Planetarium in to school this week.

Children developed their understanding of Space & all it's fascinating secrets.

### Computing

Year 6 have enjoyed a computing workshop in school.

They were challenged with some very tricky coding problems with micro bits but showed great resilience when faced with challenges.

## Football

Well done to our football team for a great performance at Greenland School last night. A 3-0 win & a 1-1 draw. We are currently top of the Tony Reather League!

The team will return to Greenland next Thursday 30th January where we hope they will continue with their great performance. Good luck!

## Attendance w/e 24/01/20

Well done for an excellent week's attendance!

Class1	98.6%
Class 2	100%
Class 3	99.2%
Class 4	100%
Class5	100%
School	99.4%

## What's coming up?

### Stay & Play

Reception & Year 1 children will be hosting a Stay & Play session on Tuesday 28th January from 9.00 am

Parents of children in those year groups are invited to come along & see how phonics knowledge is developed in school.

The session will finish with a celebration of the 'Ready Set Go' programme that the children have been working on with Chris, our sports coach.

### Thomas Swan Visit

Year 3 & 4 are heading up to Thomas Swan on Thursday 30th January to learn about the scientific processes carried out at the plant. This supports their science topic, 'States of Matter', for this half term.
