

Weekly Update

Friday 1st October 2021

We've had quite a disrupted time in school this week.

Poor weather meant that our Cross Country event was cancelled, as the conditions were too treacherous. We also had to postpone our trip to Vindolanda due to staffing requirements. This visit will now go ahead on November 5th. Football also took a hit, but any matches missed will be re scheduled. Despite the disruption, we've still had a lovely week. Mrs Morris kindly helped the children to make scarecrows to display at this weekend's village competition. The finished figures have scared the living daylights out of some of us! When you're not expecting anyone in a room and you catch a glimpse of one, it's quite unnerving :)

The quality of work has impressed us once again this week and children are looking forward to sharing examples in our assembly later today. We have also been so proud of some of the children who were able to share a wealth of information about Hindu worship in an RE lesson.

Next week we are looking forward to a Fire Safety Presentation from Consett Red Watch. Children may even be treated to a look around the fire engine. We also have the school photograph session booked on Wednesday morning. Mr Gilbert will be onsite from 8am. We're all looking forward to seeing him back in school.

Whole school attendance has dipped this week to 93%.

Individual scores are as follows:

Class 1 98%

Class 2 98%

Class 3 79%

Class 4 92%

Reading scores are also in for the week.

In winning order we have:

Class 1 100%

Class 4 90%

Class 2 63%

Class 3 55%

Well done Class 1! Brilliant result! The trophy will be heading your way later today.

The scores for this competition are based upon the percentage of children who read 4x or more at home each week. The children get really competitive about this, as do the staff :)

Have a lovely weekend everyone.

Best wishes,

Alison Spence
