

Weekly Update

Friday 8th October 2021

We've been treated to a few special visitors this week. Red Watch from Consett Fire Brigade called in to see all of the children on Tuesday. They delivered a talk all about fire safety and the children had lots of excellent questions. Staff from the Big Smile walk also visited on Tuesday. They called in for the initial boot fitting/checking session for all year 6 children. We'll be holding a short presentation shortly for Y6 parents, when the children will receive the walking boots. Watch out for the invitation to attend. It was lovely to welcome back Mr Gilbert on Wednesday. Our school photograph session ran smoothly and we're all looking forward to seeing the finished prints. As soon as they're processed, we'll circulate the orders.

Thankfully, the weather was kinder to us this week and Cross Country was able to go ahead. We were so impressed with the performance and wanted to give a special mention to the younger children who held their own against much older children from a number of schools. Excellent performance by the whole team!

Attendance this week reflects the nasty bugs that are doing the rounds at the moment.

Whole school attendance this week: 90%.

Individual scores are as follows:

Class 1 91%

Class 2 91%

Class 3 88%

Class 4 90%

Reading scores are also in for the week.

The children have really risen to the challenge.

We'll be announcing the winners later today and will be praising all children for the great scores.

In winning order we have:

Class 3 100%

Class 4 92%

Class 2 86%

Class 1 82%

The scores for this competition are based upon the percentage of children who read 4x or more at home each week.

Mrs Stephenson will continue to keep everyone updated with any key information throughout next week.

Please contact us through Class Dojo and the school office if you need any additional information.

Take care,

Alison Spence
