

Design your own island using these instructions.

**You need to include:**

- a river;
- an area of hills or mountains;
- small villages;
- a large town;
- a beach;
- any other locations you like.

Design your own island on the map below.  
Can you write the co-ordinates of each location?

Can you write a story or a description about the island you have designed?

Find out what the sign or symbol for a country in the UK is and draw it.

Why was it chosen?

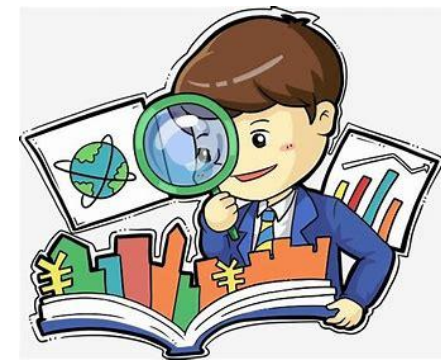

What does it represent?

Create the flag of either England, Ireland, Scotland or Wales – how creative can you get?

Research a city of the UK  
Tell me your top 5 facts!

Create a holiday brochure to persuade others to come on holiday to the UK

Research famous landmarks in the UK – can you recreate one of them  
You could use Lego, Play-Doh ...

You're all super artists, can you sketch an area of the UK. You might sketch:

- A landmark
- Mountains
- River
- City

Design your own island on the map below.
