

Weekly Update

Friday 12th November 2021

Thank you for your generous donations today. We've had some fantastic contributions for our Christmas Hampers! Mrs Stephenson and Miss Dawson are beginning to put them together, ready for our big draw.

We need to give a special mention to a little group of helpers in school this week. We had two HUGE bags of sand to empty into our EYFS sandpit. A small group of children helped to move every last grain in a fantastic team effort and it was done in no time. It was a great illustration of what can be achieved when we all work together. Amazing effort!

Your book donations have made a great difference right across school. The children have been so excited when choosing one to read. We now have more than enough. Thank you.

Scores are in for this week.

We've been hit with some nasty bugs again and this is reflected in the figures below.

Whole school attendance this week: 90.1%

Individual scores are as follows:

Class 1 81.7%

Class 2 93.2%

Class 3 95%

Class 4 91.2%

Reading scores are also impacted by the lower attendance this week.

In winning order we have:

Class 4 85%

Class 3 69%

Class 2 54%

Class 1 48%

The scores for this competition are based upon the percentage of children who read 4x or more at home each week. Lets hope the long weekend will help to eliminate the germs.

We will be representing school in the village Remembrance Service again this Sunday. We feel privileged to be invited to this special event. Thank you for your donations to the Poppy Appeal. It's been another successful year.

Reminder that SCHOOL IS CLOSED ON MONDAY due to staff training.

Enjoy your weekend everyone.

Alison Spence
