

Weekly Update

Friday 3rd December 2021

Good morning,

We hope that everyone is well.

Preparations are underway for a busy few weeks in school. We have some great events planned.

Captain Chemistry will be joining us next week to provide exciting workshops for all children. It's hard to believe that it's a year since he was last here.

Our younger children are preparing for their Nativity performance. We hope to record this and make it available for all parents to watch. Our Christmas Raffle is looking very impressive. Tickets are still available up until Tuesday. There'll be a live draw on Wednesday and the lucky winners will be able to collect their prizes from the main office.

Our choir and musicians are also working hard on their planned performance.

The "Design a Beanie" competition has been really popular. The closing date for entries is Friday 10th Dec if any children are still keen to contribute.

It's also "Christmas Jumper Day" on Friday 10th. We're looking forward to seeing everyone in their festive wear.

Our Christmas post box will go out on Monday. Children can bring cards in to school and post them. They will then be sorted by the older children and delivered to the appropriate class. It really helps if the full name and class number are on all envelopes, to ensure that they all reach the correct child.

Scores are in for this week.

Whole school attendance is gradually creeping up. This week's score is: 96%

Individual scores are as follows:

Class 1 94%

Class 2 96%

Class 3 99%

Class 4 95%

Reading scores have also been submitted.

In winning order we have:

Class 4 91%

Class 3 87%

Class 1 77%

Class 2 75%

Well done Class 4! Back at the top again!

Excitement levels are definitely beginning to rise and there's a lovely atmosphere in school.

Information went out earlier in the week regarding the latest Covid advice and any further updates will be communicated via this platform.

Have a lovely weekend.

Take care,
Alison Spence
