Well done children!

I visited Consett Academy today and was pleased to hear that all of our Y7 children have settled in really well. Lots of lovely reports about what a great group they are.

Next Friday we will be starting a new football club for KS2 girls.

Andrew Poole (a local coach) will be running the sessions each week. Please book in using the ARBOR system

We'll also be working with Sports for Schools in the coming weeks.

We're looking forward to a visit from a Team GB Athlete. They'll be running a sponsored event for the children. All will be revealed on Wednesday. Sounds like great fun!

Please can we remind everyone about the no jewellery message that went out before the holidays.

Our new early start time has been a great success. Those extra ten minutes make a big difference. Thank you for supporting this new routine.

The school day ends at 3:15. This means that lessons finish at 3:15. Children need to gather belongings and make their way to exits. They may take a few minutes to do this and will be working as quickly as possible to make their way outside.

Have a lovely weekend.
See you all on Monday.
